Dear Sirs:

In accordance with 35 U.S.C. 254 and 37 CFR 1.322, applicant respectfully requests that the Office issue the attached Certificate of Correction. The mistakes are clearly disclosed in the records of the Office. Applicant has observed that the Office appears to have entered two Issue Fee transmittals into the file history for this application. One is the correct Issue Fee transmittal for application 09/759,715, containing the information on the attached Certificate of Correction. The other was for a different application (09/759,175) and it appears that some of information from this other application was included on the Title Page of the issued patent. If there are any questions the Office is requested to telephone the undersigned. It is believed that no fee is due for consideration of this paper. If it should be determined that a fee is required, please charge any fee to Deposit Account No. 50-0585. A duplicate copy of this transmittal is enclosed.

Respectfully submitted,
